1st March 2000

I was delighted to meet you at the “Thinking Day” Ceremony at our Residence and I hope that you found it enjoyable.

On that occasion, we spoke about the possibility of holding a joint Kuwaiti/British/US event in the garden on 2nd April. I am writing to say that I have discussed this with Nadia Taylor, the British Guides’ District Commissioner and we would like very much to go ahead with this.

We would suggest 30 guides from each group should attend with along with you and their leaders. If each group could prepare a short programme about their activities and bring some photographs of their group, it would make for a useful and pleasant meeting. We could commence at either 4.30pm or 5.00pm and aim to finish at 6.30pm. We will provide refreshments (and make sure that they do not run out!).

Please could you confirm acceptance to our social secretary, Huda Al Zahem on 240 3334/5, ext 227. Nadia Taylor will then be in touch with you to discuss details of the programme.

With all good wishes.

CAROLINE MUIR
