

Dear Girl Scout Council CEO:

This letter will serve as an introduction to the USA Girl Scouts Overseas location identified below.

If you are in receipt of this letter it means that a military family, a family working in an American Embassy or an American business overseas has had to leave their current overseas location quickly.

It is our hope that you will work with this family in placing their daughter(s) in a Girl Scout troop.

For additional information, we ask that you contact Sandy Thomas, Director, USA Girl Scouts Overseas (212) 852-8610 or stthomas@girlscouts.org.

We hope the registration information provided will help facilitate the transfer of this Girl Scout's membership into an ongoing Girl Scout troop or group. The girl and/or adult is currently a registered member of Girl Scouts of the USA through USA Girl Scouts Overseas.
