

Junior Jamboree

28-29 January, 1999

Badges

The badges that we will be working on (though may not necessarily complete) during the workshop:

Science Discovery
Arts and Media

Puzzler
Dance

Arts Dabbler

Cost of Event

Projected cost of 2KD per Junior girl; an additional 1 KD per girl will be paid by the LTC. Troops are welcome to pay event fees from troop treasury. Short-falls/overages will be settled with the troops.

Tentative Schedule:

Thursday, January 28

11:00 AM - Arrive and settle in. Each troop piles their stuff in labeled areas along walls of room. Girls must be checked in by parent (or other adult) with troop leader. Troop leaders to provide Jamboree director with list of all girls, permission slips, and medical forms for everyone in troop. Jamboree nurse will file all forms and keep on hand at First Aid Station. While waiting for everyone to arrive and be checked in, girls can begin active time, probably working on Dance badge.

12:00 PM - Opening Ceremony & remarks

12:30 PM - Sack Lunch brought from home. Clean-up per Kaper chart.

1:00-3:00 PM - Session I

Girls rotate among centers at their own pace, accomplishing as many objectives as their work pace and time allows. Troops 20/23 and 14/17 will be grouped together. Science Discovery badge to be done in the Elementary Science Lab and Art and Media will be done in the Small Gym and Quad. Girls will have an adult sign off at each station that they completed individual objectives.

3:00 PM - Break time - make GORP

3:30-5:30 PM - Session II

5:30 PM - Break

6:00 PM - Dinner - Pizza, fruit, juice, and milk. The pizza will be ordered in advance and delivered to the school while the food chairman brings the other items in.

6:30 PM - Make-your-own Ice cream sundaes. Clean-up per Kaper chart.

7:00 PM - Quiet games, probably working on Puzzler badge.

8:00 PM - Ceremonial Campfire program with artificial fire inside Small Gym. Each troop will be asked to present a simple skit, which will be interspersed between songs of the girls choice.

9:00 PM - Flags down. Daytimers leave; overnigheters get ready for bed.

9:30 PM - Lights out

Friday, January 29

6:00 AM - Rise and Shine! Breakfast of muffins, fruit, juice (coffee for the adults!). Clean-up per Kaper chart and pack-up. No girl will be able to leave until their troop area and Kaper are "inspected."

7:30 AM - Active games such as jump roping, roller blading, etc.

9:00 AM - Troop check out and girls picked up by parents

- 1) Troop leaders must fill out evaluation with their girls and turn in to Jamboree director before having Kaper area inspected.
- 2) Troop leaders must have Kaper area inspected and approved before allowed to check out their troop.
- 3) Girls must be signed out by parent (or other adult) with the troop leader
- 4) Troop leaders must pick up permission slips and medical forms from nurse before leaving.

What to do about girls who wish to leave on Thursday night:

Leaders should strongly encourage parents to let the girls stay. For reluctant parents, leaders should have a personal dialog to assure them that the girls will be well cared for and happy. Mothers of reluctant girls might be recruited to spend the night and help supervise. Incentives to stay: 1) Let parents know that girls who leave will not earn all the awards of girls who stay for the whole event. 2) There will be a patch given out to all girls who stay for the whole event.

Adult Supervision

Each troop must bring adults to supervise the girls with a ratio of 1:4 plus one adult to help with various event jobs. It takes a lot of people to put on a successful event! Some of the jobs we need helpers for include:

Registrar. Check girls in and out at the event.

First Aid station. Nurse preferred but not essential.

Food Manager. Arrange for pizza to be delivered, buy foodstuffs, setup for meals, etc.

Cleanup Manager. Supervise cleanup chores, trash disposal, inspections of troop kapers, etc.

Activities Helpers. To help badge sessions go smoothly.

Note that for proper insurance coverage, we must register all adults who volunteer to be one of the supervisors for the Jamboree.
